

UTV SPRAYERS

SPRAY LIKE A PRO.

✓ LOW PROFILE TANK

The Tru-Kleen low-profile full-drain tank optimizes liquid carrying capacity while reducing issues associated with high center of gravity conditions.

✓ SPOT SPRAYING

A spray wand and hose reel with 50 feet of 3/8" hose are included as standard features, allowing you to spot spray when boom spraying isn't an option.

✓ ADJUSTABLE BOOM

The heavy-duty adjustable boom mounting system enables you to set the optimal nozzle height for any application.

✓ QUALITY PARTS

All Dakota sprayers are constructed with commercial-grade valves and fittings, proudly made in the U.S.A.

UTV SPRAYERS

ARE YOU A CONTROL FREAK?
